

# Portable Handwash Station Hands Free, Hot & Cold Water

A portable hand wash and sanitizer station which is the perfect hygiene and wash down unit for all building and construction sites, factory's, workplaces, schools, playgrounds etc.

This is a super strong and robust construction which is manufactured from medium density polyethylene so it's made to last and able to handle all types of outdoor and indoor conditions. With it being a touch free unit and large range of features including integrated rubbish bin for the paper towels and extra storage for soaps/paper towels etc this is the most premium portable hand wash and sanitize station you can get.

This is New Zealand made and can be custom coloured to suit your needs.
